## Education Vouchers for Professional Development & Certification Exams

### Professional Development

Educational institutions can also use some of the voucher amount toward professional development directly related to the new hardware and/or software they are purchasing. The following Microsoft-certified trainers are approved to provide training (remotely or in-person where possible) for K-12 schools:

- **CCI Learning** (Computer Science, STEM, Microsoft Certifications);
- **Compugen Inc** (Minecraft: Education Edition, Office 365, Microsoft 365, Microsoft Teams, Windows 10/11, Devices for Learning)
- **Fair Chance Learning** (Azure for Faculty/Students, Computer Science, STEM, Education Transformation Framework, Microsoft Certifications, Microsoft Imagine Academy, Microsoft Learn, Minecraft: Education Edition, Office 365);
- **GRICS** (Office 365, Microsoft 365, Microsoft Teams, Windows 10/11, Devices for Learning);
- **Logics Academy** (Minecraft: Education Edition);
- **Saskatchewan Polytechnic** (Azure for Faculty/Students, Computer Science, STEM, Education Transformation Framework, Microsoft Certifications, Microsoft Imagine Academy, Microsoft Learn, Minecraft: Education Edition, Office 365);
- **University of Calgary** (Azure for Faculty/Students, Computer Science, STEM, Microsoft Certifications, Microsoft Imagine Academy, Microsoft Learn, Office 365, Microsoft 365, Microsoft Teams);
- **Stem Minds Corp** (Computer Science, STEM, Minecraft: Education Edition); and
- **Cobblestone Collective** (Minecraft: Education Edition, Microsoft Teams).

The following Microsoft-certified trainers are available to provide training (remotely or in-person where possible) for post-secondary institutions:

- **Saskatchewan Polytechnic** (Azure for Faculty/Students, Computer Science, STEM, Education Transformation Framework, Microsoft Certifications, Microsoft Imagine Academy, Microsoft Learn, Minecraft: Education Edition, Office 365);
- **University of Calgary** (Azure for Faculty/Students, Computer Science, STEM, Microsoft Certifications, Microsoft Imagine Academy, Microsoft Learn, Office 365, Microsoft 365, Microsoft Teams).

These Microsoft-certified trainers will provide the educational institutions with an itemized invoice that the institutions can submit for reimbursement to Epiq.

For more information on trainers, visit:

<https://www.microsoft.com/en-CA/education/training-and-events/trainers#/trainers?country=Canada>

## Certification Exams for Post-Secondary Students

For post-secondary institutions, software vouchers may be used to receive reimbursement for the cost of Microsoft software certification exams for students provided by Microsoft approved resellers, such as CCI Learning, Compugen Inc., Insight, etc. These resellers will provide the educational institutions with an itemized invoice that the institutions can submit for reimbursement to Epiq. For more information on the process, please contact Epiq at the contact information below.
